SECURITY DEPOSITS

I. SECURITY DEPOSIT REQUIREMENTS

The Corporation may require a deposit to guarantee payment for each service. This deposit shall not be considered advance payment of bills, but shall be held as security for payment of service rendered. The Corporation may refuse service to an applicant or discontinue service to a member for failure to comply with this section. The Corporation shall apply the policies governing applicant and member deposits uniformly.

Except to the extent otherwise noted herein, the Corporation shall require a deposit if:

- A. A prior service account with the Corporation remains unpaid and undisputed at the time of application for service.
- B. Service from the Corporation has been terminated for:
 1. Nonpayment of any undisputed delinquent bill;
 2. Failure to reimburse the Corporation for damages due to the member's negligent or intentional acts; or
 3. Acquisition, diversion or use of service without the authorization of or knowledge by the Corporation.
- C. Information provided upon application for service is materially false or a misrepresentation.
- D. The application is for initial service with the Corporation or the applicant did not have service with the Corporation for a period of at least twelve (12) consecutive months during the past four years.
- E. The applicant or non-residential member is unable to pass the Corporation's objective credit screen. In order to pass the objective credit screen, the applicant or non-residential member must fulfill one or a combination of the following as determined by the Corporation:
 1. Have received twelve (12) consecutive months of service from the Corporation, with undisputed portions of the twelve (12) most recent bills paid in full when due;
 2. Have a favorable credit rating with a third-party credit reporting entity acceptable to the Corporation;
 3. Have an Acceptable Payment History. An Acceptable Payment History includes, in addition to the requirements of Section I.E.1., no Non-Sufficient Funds checks within the most recent twelve (12) month period.
- F. The request is for service at an address where a former member with an undisputed delinquent bill for service still resides or conducts business.
- G. The applicant for service, or member, has been brought within the jurisdiction of the bankruptcy court, or has had a receiver appointed in a state court proceeding, within the five-year period immediately preceding the request for service.

Section III

SECURITY DEPOSIT REQUIREMENTS (cont'd)

H. The Corporation has determined that it has a significant financial risk in continuing to provide service to a specific load or non-residential member. The Corporation and member may attempt to reach a deposit agreement. If the Corporation and member are unable to reach an agreement, the Corporation shall file a confidential petition requesting expedited review and Commission approval prior to collecting the member deposit. The petition shall contain the basis for the Corporation's determination, the amount of the deposit sought and sufficient information for the Commission to contact the member.

II. SECURITY DEPOSIT/FINANCIAL INSTRUMENT ADMINISTRATION

- A. The required deposit shall not exceed the total amount of the applicant's or member's estimated bill for three months of the highest use based on the premises' monthly bill during the immediate previous twelve (12) month period. If residential billing information for the immediate previous twelve (12) month period is not available, a minimum residential deposit will be collected in the amount found in the Rules and Regulations of the Corporation. Section VII – Rate Schedule. This minimum deposit may be adjusted after twelve (12) months of continuous service is available, if a deposit is still required of the member at that time. For all other customer classes, the deposit will be based on the Corporation's calculation of anticipated service characteristics and anticipated load.
- B. The Corporation may accept a written guarantee on residential accounts from an acceptable guarantor in lieu of a deposit to pay a member's bill. After the Corporation has verified the member's identity, the member shall agree to permit the Corporation to provide the member's account information to the guarantor upon the member's default.
- C. In lieu of a deposit, the Corporation may accept a letter of credit from a non-residential applicant or non-residential member in an amount equal to the amount of the deposit required by Section II.A- and in a form acceptable to the Corporation and from a banking institution in good standing.
- D. The Corporation shall provide the member a non-assignable receipt or other record of deposit, showing the date and amount received.
- E. The Corporation shall retain records showing:
1. The name and address of each member making the deposit;
 2. The date and amount of the deposit; and
 3. Each accounting transaction concerning the deposit.

Interest shall apply only to deposits held for at least six months, but shall accrue from the initial date of deposit through the date the deposit is returned to the member.

III. SECURITY DEPOSIT REFUNDS

- A. Deposits and any unpaid interest earned on deposits shall be applied as a credit to the member’s bill, unless requested by the member to be refunded, when:
1. The accrued interest equals or exceeds \$10.00. The Corporation shall apply the deposit interest credit at least annually;
 2. A residential member has received twelve (12) consecutive months of service, with no cause to disconnect, and the member’s bills have been paid when due;
 3. A commercial or industrial member has received twelve (12) consecutive months of service since paying a deposit, with no cause to disconnect; the member’s bills have been paid when due; and the member passes the Corporation’s objective credit screen; or

Any credit balance on the account after the deposit is applied shall be refunded to the member. If the Corporation is unable to make the refund due to lack of knowledge of the member’s location, additional interest will not accrue after the service discontinuation date. The Corporation shall manage such deposits as unclaimed property as required by Wyoming law W.S. 34-24-109.
