

# Power Lines

MAY 2025

## Idle line retention rate reminder

The Idle Line Retention process provides a rate structure that allows members to retain idle lines that they intend to reenergize in the future, while contributing to the maintenance, depreciation and property taxes associated with the idle line.

In this designation, the member may have the meter disconnected and continue to pay a minimum charge to ensure the electric line is left in place. Transformers and secondary line can be removed at PRECorp's option.

If you have an idle service on your property for which you are not paying the Idle Line Reten-

tion rate, PRECorp will contact you to find out whether you have future plans for this service or would like to have it removed.

To retain the idle line, you will be required to pay the idle line retention charge associated with the type of service it was when energized.

The monthly rates are:

- Residential/Seasonal: \$15
- Irrigation: \$15
- General Service: \$18
- Large Power: \$79

For more information, contact PRECorp Member Service at 1-800-442-3630; or go to [precorp.coop/rules-regulations](http://precorp.coop/rules-regulations)

## Line inspections near your property

Your safety and the reliability of your power supply are our top priorities. PRECorp's dedicated linemen, distribution design technicians, and contractors are hard at work inspecting and testing poles, patrolling lines, and checking other infrastructure across our service territory as part of our maintenance program. Therefore, you might notice PRECorp employees and our contractors out and about, either on the ground or using binoculars and drones to ensure our electrical equipment is operating correctly and that we have adequate clearances.

Your safety is important to us. If you see our personnel or contractors in your area, rest assured that they can provide identification

upon request. To complete our planned inspection and maintenance activities this year we may have crews working during all daylight hours, even on the weekend.

PRECorp's employees and contractors adhere to our safety protocols and use appropriate personal protective equipment. If you have any questions or concerns, we would like to hear from you. You can reach us by calling our member service team at 1-800-442-3630, or by dropping us an email at: [customerservice@precorp.coop](mailto:customerservice@precorp.coop). We're here to help!

Thank you for your cooperation and understanding as we work to keep your power reliable and your community safe.

# 2025 Apprentice Lineman Scholarship Fundraiser

**FOUR  
SPECIAL  
DRAWINGS!**

**TICKETS: \$100 each**  
**PRECorp Member Service**  
at 1-800-442-3630; or  
Call Rick at 307-283-4930.

## Why donate?

Your donation supports the Apprentice Lineman Scholarship fund - an employee-based initiative to keep our best and brightest apprentices in our communities where they can be hard-working linemen, active citizens, and leaders.

PRECorp develops people who deliver A+ member service, great rates, and trusted energy partnerships to rural northeast Wyoming.

The Apprentice Lineman Scholarship Program is administered through the Powder River Energy Foundation, the charitable arm of Powder River Energy Corporation.

**\$100 per ticket with only 350 tickets sold!**
